

Privacy Policy

Date: October 1, 2026

1. Introduction

This Privacy Policy describes how our application and web services (hereinafter referred to as the "Services") collect, use, and share users' information.

2. Information We Collect

The Services may collect the following information:

- **Personal Information:** Information provided voluntarily by users, such as name and email address.
- **Usage Information:** Information regarding how the Services are used, including access times and pages viewed.
- **Device Information:** Information about the device used, such as device type, operating system, and unique device identifiers.
- **Location Information:** Information regarding the user's current location.

3. Purpose of Use

The collected information is used for the following purposes:

- Providing, maintaining, and improving the Services
- Providing user support
- Monitoring and analyzing usage patterns
- Sending technical updates and notifications
- Enhancing security and preventing fraudulent activity
- Complying with legal obligations

4. Information Sharing

The Services will only share information with third parties in the following circumstances:

- With the user's consent
- When required by law
- When necessary to provide the service (e.g., cloud service providers)

5. Data Retention

The collected information will be retained for the period necessary to ensure the smooth operation of the Services, after which it will be deleted or anonymized.

6. User Rights

Users have the following rights:

- The right to request the correction or deletion of their personal information
- The right to object to the processing of their personal information

To exercise these rights, please contact us using the contact details provided below.

7. Security Measures

Appropriate security measures are implemented to protect user information. However, absolute security cannot be guaranteed for data transmitted over public networks such as the Internet.

8. Changes to This Policy

This Privacy Policy may be updated from time to time. Users will be notified of any changes through the Services or on our website.
